World Unification Church Leaders Special Meeting for Victory on Foundation Day

The Special Meeting, emceed by Dr. Joon Ho Seuk, the President of Korean Church, and attended by more than 20,000 Unification Church members from all parts of the world, was commenced with the singing of Cheon Il Guk national anthem, followed by the report prayer, video showing, welcoming address and introduction of True Mother, presentation of bouquets, True Mother’s speech, and three cheers of Eok-Mansei.

True Mother’s directions to all members: First, we must absolutely value the tradition established by True Parents as much as we value our own lives, and pass this down to our descendants, the future generations. Second, we must complete the ideal of the blessed family with which Heaven has blessed us. Third, having all received the blessing of being tribal messiahs, we must work to fulfill that mission and responsibility until the time that Cheon Il Guk is completed on earth. Fourth, all of us must create a community based on the culture of heart characterized by harmony and unity, with True Parents and the True Family at the center.
