Twentieth Anniversary of the Founding of the Women's Federation for World Peace

2/12 by Heavenly Calendar (March 4)

"Convention to Open the Gate and Inherit the Era of Victory, Liberation and Completion of the Realm of True Parents of Heaven Earth and Humankind" was held in grand scale at the Daejon Convention Center in Doryongdong, Yuseonggu, Daejon at 2:00 p.m. on February 22nd, by the Heavenly Calendar (March 4), to commemorate the 20-year anniversary of the founding of the Women's Federation for World Peace. This event was attended by True Parents (Rev. Sun Myung Moon and Dr. Hak Ja Han of the Women's Federation for World Peace), Mr. Kook Jin Moon, the chairman of Tongil Group and Rev. Hyung Jin Moon, The International President of the Unification Church. Participants also included Geun Young Park, former chairman of the Yukyung Foundation, Byeong Su Kim, president of the Segye Times newspaper and Women's Federation president, Nan Young Moon, along with approximately 3500 guests.

*Women's Federation for World Peace: Founded on 1992
Acting as one of the First-class advisory organization, of which there are only 140 NGOs out of 3400. Annually hosting the 'UN Seminar' for the purpose of abolishing hunger, racial discrimination the prevention of AIDS.
True Mother (Dr. Hak Ja Han) emphasized her purpose in founding the organization by saying, "The Women's Federation for World Peace did not start as a common women's organization; but was founded with the providential purpose to realize God's ideal world of creation." She continued by saying, "Let us walk the path of True Mother, True Wife, True Daughter, and True Women Leaders who will establish the unified world where True Freedom, True Peace, and True Happiness overflow".

True Father (Rev. Sun Myung Moon) said, "As Dr. Han is the True Mother who represents women, we must define the archetype of True Mother and True Wife, thereby realizing the Ideal Family." He also said, "The model movement of practicing True Love, which is living for the sake of others, must expand to the world level" from the fields of politics, economics, culture and society.

Hoon Dok Hae: "The dwelling place of the True Love lies not within oneself but in the partner. The love comes when we live for the sake of and serve the partner. Since the partner is the source of love, our sacrifice will not be in vain, but will become the path through which the love from the partner can flow. Aju. (March 6th)
Launch Rally for National Campaign Headquarters for a Strong Korea

- 2/15 by Heavenly Calendar (March 7)

Launch Rally for National Campaign Headquarters for a Strong Korea turned out to be a great success. From this day forward, we hope that Korea will re-unify peacefully, find the solution for North-East Asia's true peace and prosperity and assume the central role in attaining peace and prosperity. We ask for your continued love and support.

As a Pacific Business and Technology Report (First issued in 2009), a magazine featuring technology and innovation focusing primarily on South-East Asia's emerging market, is the first magazine published in Korea to be sold abroad as well.

This publication can be found in major retail booksellers, such as WH Smith, Borders, Carrefour and the Times book shop; and is distributed in 33 nations, including the United Kingdom, the United States, Canada, Singapore, Malaysia, Japan, China and throughout Europe.

Asia Pacific Business and Technology is also circulated throughout various technology networks around the world, including the BPI network, Asia Institute and CMAI, which includes Intel and IBM as subsidiaries.
Envisioning Peace and Prosperity in Northeast Asia

Dr. Kook Jin Moon

The Universal Peace Federation (UPF) believes that interfaith dialogue and cooperation through conferences and forums are a means for participants to share diverse aspects of their rich sacred scriptures and traditions that benefit all people.

The time has passed long ago when we can operate in a zero-sum-game environment. The UPF firmly stands for win-win solutions as against that of the zero-sum-game.
