"April 30 Hoon Dok Hae: Most people want to receive love. People generally want to receive absolute love, but wouldn't you want to receive love from not just anyone but from the absolute owner of love? That is the love of God my father, Aju"

"May 4 Hoon Dok Hae: The heaven has advanced the providence by first striking the ones loved by the heaven, thereby making the sacrifice through which to reclaim what was lost. That's how God has been reclaiming his lost children from Satan. We can only be called truly good sons and daughters when we realize the depth of our parents’ sacrifice. Aju"
